

# HOW TO USE THIS RESOURCE

**Lessons on the Go** are easy-to-use youth ministry lessons that are Bible-based and single-focused. They're designed to help everyone from volunteer leaders to experienced full-time youth workers quickly facilitate great discussions with clear takeaways and real-life application steps.

## WHAT TO DO

- One handout / Two options:**
  - SIMPLE:** Give everyone both front and back pages. Just print and go!
  - CUSTOM:** Give students the back page. Keep the front page as a leaders-only resource so you can customize the opening question, teaching, and discussion prompts for your group's needs.
- Apply It:** Challenge students to get specific. Growth happens when we make a plan, then ask others to keep us accountable. You may want to assign a different student to personally follow-up after each lesson.
- End with prayer:** Each lesson ends with a different prayer method to help students continue thinking about how The Takeaway applies to daily life. Spend a few minutes walking through the prompts to make sure your students know what they need to do when they're on their own during the week.
